

**CANDIDATE FOR DIRECTOR  
INLAND EMPIRE UTILITIES AGENCY, DIVISION 2**

**NAME: JACK ALLINGHAM**

**AGE: 62**

**OCCUPATION: Retired Senior Instrumentation Tech.**

**Qualifications:** I will bring to the Agency, a diversity of viewpoints and experience. Having been born and raised in the Inland Empire and currently an Ontario resident and homeowner of 11 years, I do appreciate the concerns of my community. As a retired Agency employee, and successfully owning and operating my own business for 5 years, I feel an obligation to my community to help protect our rights to better air, water, and to the overall quality of our environment in the most responsible and cost efficient manner.

**My credentials include:**

- USN Honorable Discharge
- Employed by Colton Cement for over 27 years. Serving as member of the labor relations committee for 15 years of which 4 years as President and Vice President
- Mount Solver Federal credit union - 1 year board member / 6 years as board President
- I.E.U.A. employee for 14 years

When elected to this position, I will dedicate my time and effort towards guiding the Inland Empire Utilities Agency in the pursuit of better serving the community of Ontario. I have no special interests other than that of the Ontario Area residents for continued good service.
